

HEYTESBURY & DISTRICT LANDCARE NETWORK

The Heytesbury & District Landcare Network
and the Newfield Valley Landcare Group
Welcomes you to participate in the

Campbells Creek Recovery Project Community Planting Day

As part of the Campbells Creek Recovery Project, HDLN along with the Newfield Valley Landcare Group will be hosting a Community Planting Day. The rehabilitation of Campbells Creek and its tributaries has been a key priority for the Newfield Valley Landcare Group since the group's inception in 1995. We invite you to come along to help us celebrate the community partnerships that Landcare has helped create to achieve valued environmental and community outcomes.
